

# 2011 FALL SEASON

*Be sure to review new information/rules in regards to MRL Coaches License requirements that are in effect for the 2011 Fall Season.*

## **GENERAL INFORMATION**

The **MIDWEST REGIONAL LEAGUE's (MRL)** mission is to provide the highest standard of competitive play for youth teams that are members of state associations within US Youth Soccer Region II (the Midwest Region) and to assure the continued growth and development of elite level players. All of us associated with the MRL strive to provide the absolute best high-level competitive environment for our teams. The MRL offers the absolute best league competition in our area as teams vie for the chance to earn spots into the Midwest Region II Championships as part of the US Youth Soccer National Championship Series.

## **LEVEL OF COMMITMENT EXPECTED BY MRL TEAMS**

Any team looking to participate in the MRL must understand the level of commitment it takes to participate in a League that stretches across the Midwest. All teams must understand that this is a Regional League and that teams may travel hundreds of miles to participate in MRL games. The determination of game sites is based in part due to home locations of teams within a division as well as field availability. Teams understand that they may not play any home games. A limited number of teams are accepted. Team success, with special emphasis on State Cup (a competition that all team must have participated in during 2010-2011) and Regionals competition results, helps determine qualification for participation in the MRL. The level of competition surpasses any youth team competition within a team's state association. Teams will be competing against the best US Youth Soccer affiliated teams from across the Midwest.

MRL rules allow teams to use up to 25 players during the course of a season. There should be no reason why a team cannot field a team to play in a scheduled match as teams have the ability to use 25 players during a season. If your team chooses to roster less than the allotted number (25) it is highly recommended that the team re-evaluates its commitment to playing in the MRL. There is no greater disservice to your opponents to participate in a weekend of MRL games with minimal number of players. Teams expect opponents to field competitive teams as the expense for participation is great due to travel demands.

## **AGE GROUPS OF COMPETITION**

Girls competition will take place in the following Girls age groups:

Under 14: born on August 1, 1997 or later

Under 15: born on August 1, 1996 or later

Under 16: born on August 1, 1995 or later

Under 17: born on August 1, 1994 or later

Under 18: born on August 1, 1993 or later

Boys competition will be limited to the Under 14 age group in the Fall Season.

## **APPLICATION PROCEDURES**

The Team Application deadline is **July 1, 2011**. Contact your State Association office for your State Code in order to enter the secure application website at [www.MidwestRegionalLeague.com](http://www.MidwestRegionalLeague.com). Your local State Association shall review your application and solely determine if your team shall receive State Association recommendation (approval) to participate in the MRL. A maximum of eight (8) teams\* may be recommended by a state association in any one gender age group of MRL competition. Teams participating in the MRL must have competed in their state association's State Cup during the previous year (2010-2011). Only after State Association recommendation, will the MRL review the application and determine if your team shall be accepted into the MRL for the 2011 Fall Season. In completing the application form, teams are required to submit accurate information on team accomplishments. Misrepresentation of team accomplishments may result in the team being disqualified from MRL participation.

*Note: Premier Division slots in all age groups were determined based on play from previous MRL seasons. If your team is listed as a Premier Division team be sure to apply by the July 1<sup>st</sup> deadline. All Premier teams are also subject to review as per MRL Rule 4.06. In situations where teams that do not return to claim their Premier Division slots or are relegated as per Rule 4.06, the MRL has established a procedure to fill Premier Division slots (see 2011 Fall Season Team Selection and Division Placement Criteria document).*

## LOCATION OF GAMES--HOSTING MRL GAMES

In addition to sites secured and hosted by the MRL (expected to be in Rockford IL on September 10-11; in Muscatine IA on September 17-18 and 24-25; and in Overland Park KS on October 8-9), teams are offered the opportunity to host their Division games at their home sites. To qualify, a team must submit an APPLICATION TO HOST MULTIPLE MRL GAMES, which can be downloaded from the MRL website. Multiple field locations are preferred. The MRL shall review applications and have the sole authority in determining if a team shall host MRL games at their proposed site.

## MUST BE AVAILABLE TO PLAY WEEKENDS

Fall Season MRL teams **Must Be Available to Play** on September 10-11, 17-18 and 24-25. Teams are excused from MRL play during these weekends only for State Cup play. Those teams that are unavailable to play due to state cup conflicts in September must also be available to play on ALL OTHER WEEKENDS THROUGHOUT THE FALL SEASON. It is the responsibility of teams, affected by their inability to play in MRL play due to State Cup competitions on Must Be Available to Play Weekends, to be flexible in being able to schedule MRL games on other weekends during the Fall Season.

## GENERAL SCHEDULING INFORMATION

--Fall Season play may begin on August 13, 2011. All MRL play must be completed on or before November 6, 2011.

-- There will be no face-to-face scheduling meeting. On or about July 15, 2011 after the placement of teams into divisions, teams will be provided with information on the MRL scheduling process, through a group email to the primary and secondary contacts for teams within a specific sub-division. The MRL provides the opportunity for teams to schedule all games in a division in accordance with MRL procedures. All teams in a sub-division must agree to the entire schedule by no later than Friday, August 5, 2011. Availability of fields at MRL hosted sites is limited and will be provided to teams on a first completely approved scheduled, first served basis.

--Scheduling is driven by the teams and a Scheduling Coordinator (SC) who will be appointed by the MRL from within the division to assist in the process. Generally, this person will be someone who has scheduled MRL games in the past and understands the nuances in scheduling on a regional basis. If a schedule for a specific division is not completed at that time, then each and every team in the division may be assessed a fine for each day that the schedule is not completed.

--Teams should understand that due to the nature of scheduling of games for teams from across the region that scheduling games for the benefit of a single coach who coaches multiple teams should not be expected. Time conflicts will occur for those coaches that coach multiple teams on MRL weekends and the MRL, as well as the other teams within a division, are under no obligation to assist these coaches with their conflicts.

--MRL games may be scheduled during other US Youth Soccer sanctioned competitions during the Fall Season weekends, but must be played under MRL rules. Teams and host organization will be held responsible for MRL rules compliance in these situations.

--Once schedules are developed, schedule changes are permitted in accordance with MRL Scheduling Policy.
