

Midwest Regional League – Boys U16 First Division Red
April 23 & 24, 2005
Cincinnati, Ohio

Venues

Both venues are artificial turf fields with stadiums. No special shoes are required – this is the sport turf with the rubber pellets as the base. Players can use their normal soccer shoes. Your parents will not need to bring chairs to watch the games. There is no room around the turf fields for chairs – all seating is in the bleachers. No concessions will be available at the fields. Princeton has port-o-lets and Xavier has indoor bathrooms.

Games will be played as scheduled in the rain. The only exception is lightening and severe weather. These fields do not close in rain. We selected them so that we could get these games played.

Princeton High School is less than 1 mile from the hotels listed below. Xavier University is 10 ½ miles or approximately 15 minutes from Princeton High School.
