

2010 FALL SEASON GAME HOSTING GUIDELINES

as of May 31, 2010

The Midwest Regional League (MRL) has established the following guidelines so that all teams are aware of the responsibilities of the host team/club/organization when hosting MRL games. For purposes of this document, the term "Venue" shall pertain to the site of the MRL competition; "Host" shall pertain to the hosting team of the MRL competition. The MRL has divided the Hosting of games into three types of categories:

- | | | |
|-----------|----------------------------------|--|
| A) | SINGLE GAME | One field—one game (usually one-offs) |
| B) | MID-SIZE MULTIPLE GAMES | One to three fields—multiple games |
| C) | LARGE-SIZE MULTIPLE GAMES | Four or more fields—multiple games |

Where applicable, Host and Venue are required to enter into an agreement with the MRL outlining responsibilities of each in relation to the MRL.

A MRL Site Coordinator shall be designated for all games. MRL Rules are specific as to the duties and responsibilities of the Site Coordinator:

"1.09 Site Coordinators

All Site Coordinators shall be approved by the MRL Commissioner.

- (a) In cases where a participating MRL team is hosting multiple games at a local site, the host MRL team must provide a Site Coordinator for the MRL event.*
- (b) For MRL events hosted by an unaffiliated local organization, the MRL shall determine the Site Coordinator of the event.*

1.10 Site Coordinators Duties and Responsibilities

The Site Coordinator's duties and responsibilities under the jurisdiction of the MRL Commission shall include but not be limited to:

- (a) Serving as a liaison between the MRL and participating teams on site;*
- (b) Establishing a central location for site headquarters;*
- (c) Ensuring that the game fields are ready for play;*

- (e) Collecting, recording and distributing appropriate Referee Game Fees;*
- (f) Forwarding Referee Game Reports to the MRL at the conclusion of the event;*
- (g) Completing any other duties as assigned by the MRL Commission."*
