The MRL Commission shall determine the number of teams that will earn Premier Division slots in the Spring Season for the Boys and Girls U-14 age groups based on performance in the previous Fall Season. Only those teams that participated in the MRL's Fall season will be eligible for the Premier Division in the Spring. The MRL Commission shall determine the number of teams in the Premier Division for Spring Season competition.

4.04 U-14 Placement of Teams—Spring Season First Division

All team applications that are recommended for MRL competition by their respective State Associations shall be reviewed by the MRL's Technical Committee. Teams that earned Premier Division slots shall be automatically placed into the Premier Division. Girls U-15 teams that earn Premier Division slots must declare by a date as determined by the MRL Commission, which season of competition (Fall or Spring) that such team will compete for a potential Regional Wild Card slot. While Girls teams at the U-15, U-16, U-17 and U-18 age groups may compete in both the Fall and Spring Seasons, they may only compete in one of the seasons for a potential Wild Card slots.

4.06 Premier Division

4.07 Number of Teams Relegated from the Premier Division

At a minimum, the bottom team in the Premier Division will automatically be relegated to the First Division. Teams relegated from the Premier Division will be scheduled to play in the First Division during the following season. The number of teams relegated from each Premier Division and, by extension, promoted from the First Division will be reviewed and determined on a seasonal basis by the MRL as well as on an age group-by-age group basis and a division-by-division basis. In addition, promotion/relegation will involve the "Concept of Competitive Distance."

4.08 Concept of Competitive Distance

In addition to the number of teams to be relegated from the Premier Division, as determined on a seasonal basis by the MRL Commission, additional teams may also be relegated from the Premier Division if their point total for the season is not greater than 33% (one third) of the total accumulated by the Premier Division champion in their division or sub-division. For example, if the first place team has 18 points, the teams at the bottom of the table above the relegated team(s) must secure at least six (6) points in order to retain their Premier Division status for the next season.

4.09 Promotion to Premier Division from the First Division

On an age group-by-age group basis, the MRL Commission shall determine the mechanism (league play and/or playoff competition) by which to determine the teams that shall be promoted into the Premier Division for the next season.

**US YOUTH SOCCER REGION II
MIDWEST REGIONAL LEAGUE RULES**

4.11 Placement of Teams—First Division (U-15, U-16, U-17, U-18)

All team applications that are recommended for MRL competition by their respective State Associations shall be reviewed by the MRL’s Technical Committee. The MRL Technical Committee, comprised of the three (3) MRL Commission State Directors of Coaching, in conjunction with the remaining Region II State Directors of Coaching, will recommend the selection of and placement of all other teams into respective Boys and Girls First Divisions. Based on the number of teams accepted the MRL may further divide the First Division into sub-divisions.

4.12 Team Selection and Division Placement Procedures

The Boys First Division may be constructed on either (a) sub-regional basis as determined by the MRL Technical Committee; or (b) on a balanced basis as determined by the MRL Technical Committee.

4.14 Girls Divisions

The Girls Premier Divisions may be balanced into sub-divisions, as necessary, based on the number of approved teams and quality of such teams. The Girls First Division may be constructed on either (a) sub-regional basis as determined by the MRL Technical Committee; or (b) on a balanced basis as determined by the MRL Technical Committee.

US YOUTH SOCCER REGION II MIDWEST REGIONAL LEAGUE RULES

In situations where there is a single Premier Division in an Age Group, the top two teams in that division will be awarded the NCS Wild Card slots, providing all eligibility requirements are met by each individual team, and each team is not a State Cup Champion.

In situations where the Premier Division in an Age Group has subdivisions, the top team in each subdivision will be awarded the NCS Wild Card slot, providing all eligibility requirements are met by each individual team, and each team is not a State Cup Champion.

(b) Girls U-14 Age Group: Two (2) teams from each Premier Division Age Group will earn the right to represent the MRL as wild card teams in the National Championship Series at the Midwest Regionals.

In situations where there is a single Premier Division in an Age Group, the top two teams in that division will be awarded the NCS Wild Card slots, providing all eligibility requirements are met by each individual team, and each team is not a State Cup Champion.

In situations where the Premier Division in an Age Group has two subdivisions, the top team in each subdivision will be awarded the NCS Wild Card slot, providing all eligibility requirements are met by each individual team, and each team is not a State Cup Champion.

(c) Girls U15, U-16, U-17, U-18 Age Groups: Two (2) teams from each Premier Division Age Group (1 Fall and 1 Spring) will earn the right to represent the MRL as wild card teams in the National Championship Series at the Midwest Regionals.

SECTION VI. MATCHES--OPERATIONAL PROCEDURES

6.01 Scoring Method

The standings of teams within divisions/sub-divisions are based upon the number of points earned. Teams earn points as follows:

- Three (3) points for a win
- One (1) point for a tie
- No (0) points for a loss
- Minus two (-2) points for a forfeit

6.02 Forfeits

In the event of a forfeit, the team that forfeits the match will have two (2) points deducted, and the match score will be recorded as 0-4. The opponent will be awarded three (3) points and a 4-0 win. In the event that a team forfeits more than one game, the MRL Commissioner shall review the impact that such forfeits have on the standings and may consider dropping all results by all teams versus the team that has committed forfeits from the standings. This shall only be done if forfeits have a direct impact on the final placement of teams for MRL Regional Wild Card slots or for promotion and relegation purposes.

6.03 Forfeited Matches—Premier Division

A Premier Division team that forfeits a game shall be subject to a fine, become ineligible for a Wild Card slot in the US Youth Soccer National Championships, and will be demoted to the First Division, for the next season of participation.

**US YOUTH SOCCER REGION II
MIDWEST REGIONAL LEAGUE RULES**

6.04 Forfeited Matches—First Division

A First Division team that forfeits a game shall be subject to a fine, and may be expelled from the MRL, for the next season of participation.

6.05 Uneven Number of Games

In the event that the teams in a Division/Sub-Division do not play the same number of games due to unforeseen circumstances but, not including games that teams refuse to play (i.e. forfeits), the Final Standings may be determined by using the percentage of points earned versus the maximum points the team could have earned. The MRL Commission will also determine any tie-breaking procedures that may need to be applied.

6.06 Reporting of Scores

Site Coordinators shall report game scores in a manner as determined by the MRL Commissioner. In situations where single games are played (i.e. Self Scheduled Games), both teams are required to report the scores in a manner as determined by the MRL Commissioner.

6.07 Tiebreakers

Tiebreakers—Two Teams are Tied

If two teams are tied on the basis of points earned, the team's placement will be determined in accordance with the following sequential criteria:

- (a) Points earned in head to head competition among the teams
- (b) Winner of most games (all games).
- (c) Best Goal spread (goals scored minus goals against) in games among the tied teams.

- (e) Fewest goals allowed in games among the tied teams
- (f) Fewest goals allowed in all games.

Tiebreakers—Four Teams That Are Tied

If four teams are tied on the basis of points earned, the final rankings will be determined in accordance with the following sequential criteria. If a criterion creates a situation where the four-way tie is broken, then the tiebreaker for the teams that are tied (either two or three teams) resorts to the two or three team tiebreaker specifically for those teams.
